Dear Parents/Carers  
Annwyl Rhieni

### Data Protection

**GDPR:** Data protection law in the UK changed on 25<sup>th</sup> May 2018. This link will take you to a very short video that explains these changes.

[https://www.youtube.com/watch?v=Ua\\_LzUJ\\_wu8&t=1s](https://www.youtube.com/watch?v=Ua_LzUJ_wu8&t=1s)

The school already has strict data protection processes for the work that forms part of the daily functions of the school. In the information provided you will find our privacy statement and a **Hwb consent form, where you are asked to consent to Hwb providing your child with additional features and resources. Please can you complete and return this consent form asap.** Consent forms will now have a statement informing you how we use the data you share with us. In the pack is a child friendly privacy notice to explain the changes to the children.

### HWB Consent Forms.

As you know the school uses the Welsh Government Hwb platform to access a wide range of free resources for teaching and learning. We have been using this for a number of years now, and it has proven to be an excellent platform for driving positive attitudes towards learning as well as driving standards across the whole curriculum. Each child already has a secure log in, and these are used regularly in the school. Please sign the consent form to enable your child to continue to receive *additional* resources and services both in school and at home. This is extremely important as the children use this to complete a great deal of their ICT work in school and at home.

If you could please return the signed forms to school as soon as possible, I would be grateful as I don't want any pupils to lose the additional features on their HWB accounts.

Yours faithfully  
Anna Bolt
