To all pupils,

This week has been very different for us all at Glyncollen but you have all shown great calm and positivity. You have continued with your learning both indoors and a very wet and muddy outdoors.

On behalf of all the staff, I would like to thank you for your determination, strength and positivity.

I will miss serving you your breccwast and giving you saws coch and desserts at lunch time. Not to mention trying to open packets and bottle lids.

I will also miss your conversations and the information you enjoy sharing about what you've been doing.

The next few weeks and months are going to be very strange for us all. Keep smiling. Stay positive. Be kind. Keep a diary. Play board games. Write letters to those you can't visit or see. Enjoy learning new skills both indoors and out. Keep being you!

We will keep in touch with you after the Easter break.
