Dear

It has been wonderful to welcome you back to school for the start of a new year and after a long time away. A huge thank you for following all the new rules that we have had to put in place to make sure that you, your family and the staff are safe.

The way we live and the things we do have changed considerably over the past six months. Sometimes changes can make us feel anxious and can affect us in different ways. Remember that *"it's okay to not be okay"*. You can talk to family members at home, staff in school or use J2Message to send me a message if you are worried.

We are all re-connecting with others and developing relationships and new ways of working after a long time apart. As part of our whole school theme of *'Belong'*, you will have the opportunity to re-connect, discovering connections within and to the local and national community.

Make everyday count, be kind and work at being the best you can be (UNCRC Article 29). Wishing you good luck working towards your goals for the year ahead.

Kind regards

Mrs Suzanne Hamilton
