Dear

It has been wonderful to welcome you to Glyncollen to start your school journey. A huge thank you for following the spots on the path and the rules in class to make sure that you, your family and the staff are safe.

We can't do things the same as we used to and we have to take more care when we visit people and places. Sometimes when things change, we can feel afraid or worried. Remember that "it's okay to not be okay". You can talk to Mum or Dad or someone else in the family or the staff in school.

Lots of you are working with new children in your class and making new friends and developing relationships. In your class, you are going to be working on the theme of 'Belong', you will find out different ways you are connected and the different groups you belong to.

Make everyday count, be kind and work at being the best you can be (UNCRC Article 29). Wishing you good luck working towards your goals for the year ahead.

Kind regards

Mrs Suzanne Hamilton
