## After school club

Mrs Davies afterschool club will run Monday to Friday from 3.10–4pm and will continue to cost £2 per child per day. Money must be paid on the day to Mrs Davies.

We have been working on reading in school and have noticed a marked improvement in reading confidence. We are very grateful for your support in listening to your children at home. Please help us by reading with your child through the Summer holidays. Just 10 minutes of reading and discussion about what your child has read at home each day will make a huge difference.

Thanks for your support
