## Attendance and School Times

We have seen an improvement in attendance over the last few weeks and we are very grateful to you for your support in this. Great attendance gives your child the best chance in their education.

## CAR PARK

We have noticed an increase in the number of parents parking on the side of the drive, particularly opposite the turning circle and also parking in the centre of the car park. Please try to only park in marked bays and be courteous to others by not blocking them in their spaces.

We must keep clear access at all times in case of emergency and the yellow hatched bay must be kept clear.

PC Henry has spoken to the children in assembly about wearing their seatbelts, he also mentioned being safe in the car park by using the pavements.

## Swimming Gala

Friday 15th June  
Tenby Leisure Centre  
10am  
Years 3, 4, 5 and 6

Pupils need to bring normal swimming kit plus an extra towel.

Spectators welcome.

Following the gala there will be a special lunch, dinner in a bag, which pupils will eat outside together.

As per Summer menu Fish Finger or Pizza with chips!

## Request for Plastic bottles

We are collecting blue and green plastic bottles for a local community art project to raise awareness of plastic pollution in the sea and on beaches. Please bring any used plastic bottles into school, especially blue and green ones.

## CLOTHING BANK

We have fought hard to get our clothing bank back and it is now in the school car park. Please tell your friends and family about it. It provides a valuable and constant income for the friends of the school.

Please help us raise much needed funds by donating any unwanted clothes and shoes.
