

Reception Reading Words

Book	Words to Learn
1	here is my
2	in look the
3	a am I
4	can go this up
5	and big down little
6	it see too
7	at me on said
8	come Mum no to
9	for looked not you
10	are she we went where

- These are the reading words that feature in the reading scheme that your child has been using in school.
- Please select the level your child was reading before Christmas and continue to practise the sight vocabulary. Keep recapping over the previous words and move forward once your child has good recognition of the words in each book. This should give us a head start for when we return to school.
- Recap on the words by writing them on simple cards for your child to practise reading regularly for short amounts of time (little and often).

Please also see the separate information on the Oxford Reading Tree E-books which some of you may find useful depending on your child's progress in reading so far.
