Year two – Planning sheet – Week beginning 11/1/21

	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
Session 1	**Maths** Practise counting to 100 in 5s. Count forwards and backwards. What do you notice about numbers in the 5x table?	**Maths** Using a bag of beads, buttons, coins, pasta or similar, group the items together in 5s. Use the 5x table to find how many do you have altogether. Can you find other items to count?	**Maths** IXL Log on to IXL to find work set.	**Maths** Watch Percy Parker on YouTube singing the 5x table. Use the link at bottom of the page. Write out some multiplication facts from the 5x table. 1 x 5 = 2 x 5 = Can you get to 60? Try reading them out loud and record yourself.	**Maths** Log in to HWB In J2e find J2Blast and practise you 2 and 5x tables (levels 1 and 2) You can play this as often as you like.
Session 2	**Literacy** Zoom Session Listen to a story about a giraffe.	**Literacy** Find out where giraffes live. Can you find these countries on a globe or in an Atlas? Use HWB and JIT to record what you have found out. You can write your findings, use pictures, or record yourself talking about it.	**Literacy** Find 1 or 2 interesting facts about giraffes. Here are some ideas: What do they eat? How long do they sleep for? How tall do they grow?	**Literacy** Zoom session Share with me one of the facts you found out.	**Literacy** Use the link below to listen to the story again. Can you pick out any rhyming words? What are they? Can you think of words that rhyme?
Session 3	Humanities Think about the similarities and differences to where we live and the giraffe in the story lives. Use HWB to type up and you find out, or record yourself talking about the something interesting, write about the similarities and differences using the 'upload' icon in '.Just2easy'.	Science For one day, keep a tally of the materials you throw away. You may want to use the following headings: Materials | Tally | Total Paper/card Plastic Glass	Health and Well Being Think about how you have felt during the Christmas holidays. What has been your favourite part?	Science Transfer the data you have collected on to HWB in JIT. Choose 'chart' in the options along the top of the screen and start a 'blank' piece of work. Use the tally chart provided to enter the information, remembering to change the headings, then click on the bar chart option and a chart will be created for you. Save your work!	Health and Well Being Take some time to go for a walk or ride your bike/scooter. When you are out, use your senses and think about what you can hear/see/smell/feel. Maybe you could take photographs of interesting things you see.
Session 4	Read a book to yourself or share a book with someone at home.	Read a book to yourself or share a book with someone at home.	Read a book to yourself or share a book with someone at home.	Read a book to yourself or share a book with someone at home.	Read a book to yourself or share a book with someone at home.
