

ine
ite
ive

Guards Tarycidion and Kodobrow caught the Skamties biting tails off the robo wordbirds that sing in the castle garden. They made the Skamties stick the tails back on. What a mess they made of it. All the words should have **ine**, **ite** or **ive** on the end of them.

1 Write down the words they managed to repair.

- | | | |
|-------------------|------------------|-------------------|
| a favour | e plastic | h br |
| b trampol | f posit | i incl |
| c imaginat | g rec | j inquisit |
| d pol | | |

2 Correct the words below that the Skamties bungled.

- | | | |
|--------------------|----------------------|---------------------|
| a magazive | d alternatite | g despive |
| b negatine | e machite | h excine |
| c primitine | f parasine | i initiatite |
