

app opp

1 The Thabidabs bit off the heads of 15 alphastatues on the road to the word castle. They attacked the **app** and **opp** statues.

Princess Certroc managed to pick up the heads. Put them back on the words below to make the alphastatues whole again.

a ose	f endix	k onent
b roval	g etite	l reciate
c osition	h osite	m ress
d aratus	i lause	n rentice
e ear	j ortunity	o roach

2 Now you have repaired the alphastatues, choose the correct word to complete each of the sentences below. Write the sentences in your book.

- | | |
|--|-------------------------|
