

Dear Parent/Carer/Governor,

Last term, we informed you about the new Welsh Curriculum. We said that we were hoping to build unique learning opportunities for our pupils in Ynysfach.

We explained that we would spend time collecting ideas from staff and pupils but that **your** opinion was very important to us too. We were blown away by your response and have included your suggestions below:

Your ideas, alongside suggestions from pupils, staff and our various schemes of work have enabled us to create a fantastic Autumn Term plan entitled 'Dyma Fi'. Class teachers will be Schooping these out to you shortly so you can see exactly what your child will learn about this term.

As part of the new curriculum, we also told you about the Four Purposes. These are something that will be integral to our learning and used within every lesson.

To make these more child friendly, staff have created the following posters.

# *Ambitious Capable Learners*

ready to be citizens of Wales and the World

I find out about things  
but I make my own  
mind up.

I know there are good  
and bad things  
happening in the World  
and how they affect me.

I care about everyone's  
rights and help others.

I understand that my  
actions and decisions  
affect others.

I know about Wales  
and the world now  
and in the past.

I believe that we are  
all different but equal.

I care for my environment.

I am a proud citizen of Wales.

# Healthy Confident Individuals

ready to lead fulfilling lives as valued members of society

I have firm values and know what I believe in.

I understand that mistakes help me to learn and grow my mind.

I enjoy taking part in physical activity.

Furthermore, we held a Four Purposes mascot competition within school. Our governor Mr Doyle shortlisted the best creations and the pupils voted for their favourite four designs which we are immensely proud of.
