- [www.speechandlanguage.info/parents](http://www.speechandlanguage.info/parents) New Parent Portal accessible via Speech Link (only available via Google chrome!)

## Language, Literacy and Communication

- Write the sounds s,a,t,p,i,n plus 3 new sounds c, k, e, on squares of paper hide around the house and garden. Go on a sound hunt. See how many you can find and say the sound correctly. Hide the sounds you don't get right again, try and get them all right. Good Luck!

## Mathematics

- Write the numbers 0-10 /0-5 on squares of paper, pop them in a bag and pull them out one at a time. Say the number correctly. When all the numbers are out, order them correctly from 0-10/0-5. Have a go at saying the numbers 1-5 in Welsh - un, dau, tri, pedwar, pump.

## Science and Technology

- Go on a woodlouse hunt, find out about woodlice, where do they live, how many legs and eyes do they have, what do they eat? Draw a woodlouse.

## Humanities

- How many natural features can you name on your daily walk? Eg. hill, mountain, river, stream, pond, rocks, field etc.

## Expressive Arts

- Make a home for a woodlouse, put it in the garden and check each day to see how many woodlice are living in your home. Give your woodlouse/woodlice names.

## Health and Wellbeing

- Make an obstacle course around your garden, see how quickly you can complete it. Have a competition with members of your family to see who is the quickest!! Have fun!!
