

WELCOME BACK YEAR 2

CROESO NÔL

Last March the Welsh Parliament closed all schools in Wales.

This was to keep everyone safe from a new illness called Coronavirus or COVID 19.

(this link can also be found on the school website)

The good news is we can now return to school.

However, when we return some things will be a little different.

1 - When you return to school there is no need for you to wear school uniform but you must wear suitable clothes.

2 – How exciting, as you walk to school we have a new one way system. Follow the arrows on the left when you arrive to school and the arrows on the right to leave. How many arrows can you count?

3 - At 8.45am your class will enter through the usual red gate.

Miss. Dorward & Mrs. O'Malley will meet you. You will say goodbye to mam/dad and stand in the red rectangle. Miss Dorward will take your temperature. She will not touch you.

4 - You will be given some antibacterial gel to rub into your hands. You will then be asked to line up and stand on a red spot.

When Miss. Dorward is ready she will walk you into class.
There won't be many pupils in your class.

5 - There is no need to bring a bag or pencil case to school. Sadly we cannot use the coat hangers. You will hang your coat on the back of your seat.

Miss Dorwrdd will tell you where to sit. On the table there will be a polipocket full of equipment. These will be yours and will be kept in school. You cannot share equipment.

Mr Hyett will deliver his daily assembly which we will watch on our whiteboard.

6 - Your mam and dad have been teaching you about the importance of washing your hands and socially distancing. We will be washing our hands throughout the day and keeping our hand and feet to ourselves.

You will see lots of new signs around the school to help us remember.

7 - Your and your class bubble will have play on the bottom yard. You will be offered a snack of toast and fruit.

Sadly we cannot use the trim trail, train and outdoor equipment.

8 - To keep you safe we have reorganised the toilets. You will use the girls toilets. To keep everyone safe the door will be kept open.

The toilet cubicles have been labelled Boys and Girls.

9 - Everyone in school will be given a packed lunch from Lesley. We will all eat our picnic lunch together in class.

After eating we will get ready to go home.

10 - There are two bins in your class. One for general waste and the other for used tissues. Please remember to use the correct bin.

11 - We will leave through the same door and gate that we entered through.

We will wave you goodbye and see you next time. Remember to follow the

Visual Timetable

Arrive	Enter	Class	Snack	Play	Assembly	Class	Lunch	Leave
--------	-------	-------	-------	------	----------	-------	-------	-------
