## COVID Update—Communication

Every school has been asked to provide its community with a direct means of communication to record a pupil's positive COVID19 case. Therefore, if your child has received a positive test result please use either link to share this information with us. This information will be shared with Public Health Wales and the Track, Trace and Protect team.

In the event of a positive case the school will work alongside Public Health Wales to ensure the safety of all of our pupils and staff. We will follow the set procedures and only communicate with you the necessary information in the given timescales.

There is no denying that this global pandemic has and is having an impact on us all. However, the Governing Body and staff are passionate that where possible we should continue to provide the wealth and range of experiences and memories for our children. Please see below.

If you would like to discuss this or any other matter please contact the school office.

Yours,  
OGHyett #keepsafe

## Halloween DISCO—23.10.20

Are you brave enough to attend? This year each class bubble will be enjoying their Halloween celebrations during the school day within their classroom. The cost of the DISCO which includes a hot dog and drink is £2 per child. The children are encouraged to bring their fancy dress with changing facilities, support and encouragement to change provided for all.

(Children should not attend school in their costumes.)  
Thank you for your continued support, Diolch yn fawr.

## Entry, Exit Times

Thank you for working with us to ensure a successful beginning to our 'new normal'. In a short period we have become efficient and smooth at both drop off and pick up. Diolch yn fawr. With neighbouring authorities, local schools and an increasing infection rate it is becoming apparent that we may need to continue our new procedures for some time. Therefore, we have altered some entry and exit times to;

- ⇒ ensure that all pupils receive their allocated teaching times,
- ⇒ reduce the time that the pupils are waiting on their red dots,
- ⇒ minimise the time that parents/carers have to wait between drop off and pick up.

These new times will begin the week beginning **Monday 28th September**.

Thank you for your patience and understating during these difficult times.
