Coronavirus Update

We continue to live in very strange and scary times.

Living like this since March has resulted in us all having less patience, our normal levels of tolerance and a heightened level of anxiety and fear.

Neither school nor the community alone can beat or reduce the spread of COVID19. However together we have...

- Adapted to our 'new normal' procedures,
- Continued to provide an education for all pupils,
- Balanced and managed the demand and numbers attending breakfast club and
- Acted upon the request from the authority to wear face masks at drop off and pick up. Which has...
- Minimised the local positive cases.

As a school we will continue to communicate with you formally through the school website, twitter account and text messages, however, **the school does not have control, access or an official Facebook account.**

The process of communicating a confirmed case with the school hasn't changed.
Please use either the web address

(https://forms.office.com/Pages/ResponsePage.aspx?id=Ug4_TzS3ZEGUCRtgHRR5k6yvOdYk6dRFg-oCtwn1yRnNUNIROUTdFQ0dSVIJLSEY5QkVLT01XRzFYRS4u)

or QR code with the data shared with Public Health Wales and the Track, Trace and Protect team. This accurate information will be used to determine what next steps need to be taken.

Please refrain from using social media to voice your concerns, worries or rumours but speak to the school directly.

If you would like to discuss the content of this letter please contact the school office.

Thank you. #keepsafe
