

# Year 4 Autumn Term 2021

What skills are we learning this term?  
Year 4- Autumn Term 2021  
Mrs H Lloyd

This term our topic is 'This is Me'. The skills we are learning are:

## In Health and Well-being we will...

Focus on self-care strategies and investigate whether strategies work in the same way for different people.

Explore positive relationships and appropriate behaviours and do these change depending on the setting and situation

Recognise the difference between wants and need and charitable giving, expressing opinions on who should give most money to charities.

In PE we will play a range of team sports and investigate whether life lessons can be learnt from playing team sports. Furthermore, we will look at how physical activities can be used as a self-care strategy.

## In Science and Technology we will...

Explore the importance of teeth and how to look after them.

Learn how to stay safe online.

Be learning to identify and protect our private and personal information online.

Learn to recognize the pros and cons of multi - media online

## In Languages, Literacy and Communication we will...

Identify features of folktale stories.

Pie Corbett to internalise and innovate the story 'King of the Birds'

Recognise and use ambitious verbs, adverbs, similes, metaphors and personification to add interest into their writing.

Use speech marks and other punctuation to give meaning to their writing.

Write a playscript for our podcast and radio programmes

## In Mathematics and Numeracy we will...

Build on our prior knowledge of number bonds to 100 and applying this knowledge to add and subtract numbers up to 1000

Revise our knowledge of place value 4 digit numbers

Multiply and divide 2 digit numbers by 1 digit numbers using a range of written methods

Identify and recognise fractions in their simplest form

Calculate intervals in time using mental and written strategies

## In Expressive Arts we will...

Be exploring structures of music and investigating how music can be emotive.

Explore the impact of Music can have on the world e.g. charity singles.

Create our own podcasts and radio programmes.

## In Humanities we will...

Learn about charitable giving.

Investigate whether certain groups in society give more to charity than others and why.

Investigate whether Christians need to go to church to be good Christians.
