Donations!!

Due to the tragic house fires in Alltwen, which have affected some of our pupils, we have decided to raise money during December to donate to the House Fire Fund. Each Friday in December we will be organising activities for the pupils to take part in. In return we are asking that you send a monetary contribution into school with your child each week. We are hoping to reach £200 by 17th December!!! Thank you for all your donations so far, you have been really generous and the response from the community has been outstanding!

Road Safety Squad

In response to the traffic problem we have outside the school gates, Bella Percival approached the Senior Leadership Team to ask if a Road Safety Squad could be set up, involving pupils from years 4, 5 and 6. We now have 10 pupils who have joined the squad and are eager to deter people from parking outside the school gates.

This week they conducted a traffic survey on the hill at home time which revealed that 6 cars parked on the double yellow lines in order to collect their children from school. The RSS are hoping to see a decrease in the number of cars parked on the hill when they complete their next traffic survey in January.

Christmas Concert Children of the World

Thank you Mums, Dads, Carers, Grandmas Granpas, and everyone who helped to provide the pupils with fantastic outfits for the Christmas concert this year.

This year the performance will be uploaded onto your child's HWB account. There are no DVD's available but you can share with your family for free. We hope you enjoy!

Merry Christmas, Nadolig Llawen! 🌿

The staff, pupils and governors of Alltwen Primary School wish you a very Merry Christmas and a Happy New Year.

Have a peaceful and safe Christmas everyone, we will see you all again on 5th January 2022.

Please can you try to remember to wear a face mask if you want to talk to staff at drop off and pick up times. Let's try and keep everyone safe.

Thank you to our PTA

We want to say a huge thank you to the PTA for organising the Christmas hampers, the Christmas presents for every child in school (that's a lot of wrapping!!) and for their gearlong support.

It's been very challenging during Covid 19 but they have still tried they're very best for the children.
