Welcome back Mass
It was lovely to join together in our start of term Mass last Thursday. We were delighted to be part of a special day for Fr Benedict who was celebrating twenty years since saying his first Mass. Congratulations Fr Benedict.

Big-crunch healthy eating workshops
We all enjoyed taking part in a healthy workshop this week. We learnt about how to keep healthy and look after our bodies. With this in mind, please remember we are a healthy school and we only allow water in classes during the school day. Please try to ensure your child has a healthy packed lunch and with a number of children having a nut allergy, please ensure your child does not bring in products which contain nuts to school. We want to safeguard all our children and even a trace of nuts in the dining room can cause a severe reaction. Thank you.

Parent Welcome Meetings
Thank you to all parents who came along to our information meetings this week. We hope you found it useful. Do remember, we have an open door policy and will always do our best to meet with you as soon as possible.

The next open evening where you can discuss progress and targets with teachers will be on 23rd and 24th October 2018.

Silent Zoo
Creepy crawlies, snakes, reptiles, spiders and tortoise met with year 6 children this week. The children loved finding out all about their eating and sleeping habits as well as being brave enough to handle the creatures.

McMillan Coffee Morning
Please join us as we will be taking part in the world’s biggest coffee morning event on Friday 28th September from 9:00am – 11:00am in our Busy Bees Classroom. Any donations of cakes in the days before the event will be very welcome!

Diaries
Your child will use their home/school diaries every day. Please ensure all sections are completed particularly the allergies and photography permissions section.

Supporting in school
Do you have a few hours a week where you can commit to helping out in school? We always need volunteers to listen to readers or engage in a range of activities. Please email Mrs Heald StJosephsCathedreralPrimary@swansea-edunet.gov.uk for further information.

Non-uniform day to support the Kerala relief fund
A big thank you to everyone who supported our non-uniform day today in aid of the relief effort in Kerala. Boys and girls who visited Kerala this summer told us about the effect it has had and is continuing to have on the community there. We raised a fantastic £377.11. Well done all.

Parent Governor
We have a vacancy for a parent governor on our school governing body. If you are interested in the role please contact Mrs Heald for an informal chat. It is really important that we have parental representation on the governing body.

Many thanks
Angela Heald
Head Teacher
