Welcome back!

We hope that you all had an enjoyable holiday and are ready for another busy school year. Please feel free to come and see us to discuss any issues regarding the wellbeing or education of your child. We want to nurture positive relationships and open communication. We look forward to the academic year ahead.

Gold Awards – “A great start”

We are so pleased that everyone has settled into school after the holidays. Well done to all our new starters in the Reception Class and also to new children that we have welcomed into ks2.

Well done everyone

Dinner Money/Parent Pay Activation letters

Please could you all make sure that when producing ParentPay activation letters for new pupils or staff that they go to the correct individuals because all the letters have individual names on them.

There have been a few occurrences over the past few days where pupils have been given the wrong activation letter and some parents have activated the accounts without checking the pupil name on the letter.

Please could you ask all parents to check their activation letters to ensure they have the correct names for their children if they haven't activated already. If they could bring the letter/s back to school if they have the incorrect one.

If parents have activated the incorrect pupil/s then please ask them to contact our office at cashless.catering@powys.gov.uk or call 01597 827500

Kind Regards

Jason

URDD Activities 2018 - 2019

The summer has flown by and here we are looking ahead to another full year of activities. I would like to take this opportunity to thank you for your support over the few years, without your support it would not be possible to give opportunities to the children and young people of Breconshire and Radnorshire. I'm hopeful we will be able to provide even more opportunities this year to the children and young people of our area.

Hwyl am y tro!
