### **HWB Consent Forms**

We recently sent out an "Hwb additional services consent form" on which you have to give agreement for the School to share basic information with the Welsh Government about your child[ren] so they are able to access the Hwb platform. Without this consent your child will have limited access to Hwb, which is constantly used for school work. Please return the signed form at your earliest convenience, if you require another form please see Anne in the office.
