

Additional Learning Needs Information Events for Parents

SNAP Cymru in partnership with the Additional Learning Needs Transformation Lead for South West and Mid Wales is pleased to invite you to a free information event for parents intended to help families understand:

- How the new system that supports children and young people with Additional Learning Needs will work.
- What early years settings, schools, colleges and the local authority will do to support you and your child
- Local Authority Update
- What's happens next - Consultation on the Code
- Q & A's

For further information or to confirm your attendance at one of the parent events opposite, please contact Amanda Daniels on:
