Friday 16th April

Welcome back after the Easter break. I hope that you and your family managed to have some downtime.

With regards to testing our staff continue to test on Sunday and Wednesday evenings. A positive test would mean classes and/or bubbles would have to close at very short notice, just as they would also have to do if a positive test result is seen amongst our pupil community.

Therefore, pls ensure you check regularly your emails or schoop, to see if you have received one from us telling you of any closure arrangements.

In order for us to ensure, you hear promptly from us of any class closures, pls can I remind all parents/carers to pass on any changed **contact details** immediately...an email address change or a mobile phone...**it is vital that we are able to get hold of you should we need to do so.**

Class or bubble closure may bring about disruption (at very short notice) to your daily life, especially as it may affect you being able to attend your normal workplace - we understand the frustrations these enforced closures may bring about, but we ask that our parent/carer community keeps in mind that no school is wanting to close any class. However, we have a duty to follow Welsh Government guidance in order to **limit the spread of COVID19.**

Thank you for your continued support, we really appreciate it.

Following increased interest, we are able to extend our after-school club opening times.

These sessions will be reviewed in three week's time, to ensure that opening the club remains viable.

Please book in through the office.
