Gellir addurno'r siâp barcud tetrahedron hwn â'ch dyluniadau unigryw eich hun a'i hedfan ym mhob tywydd. Gallwch hyd yn oed ei hedfan heb unrhyw wynt, gan y bydd yn codi'n naturiol wrth i chi redeg gydag ef!

This tetrahedron kite shape can be decorated with your own unique designs and be flown in all weathers. You can even fly it with no wind, as it will naturally lift as you run with it!
