

 Sometimes
  people
  get
  ill.
  At the moment
  lots of people
 are

 getting
  ill.
  There
 is a
  new
  illness
  called
  Coronavirus
  which

 is making
  people
  ill
  in
  lots of
  different
  places
  around the

 world.
  Coronavirus
 is making
  lots of people
  ill.
  People
  with

 Coronavirus
 may
  have
  a
  fever
 or
  cough.
 To
  keep healthy
 I
 

 need
 to
  wash my hands
  throughout
 the
  day
 to
  keep
 them

 clean.
 I
  need
 to
  wash my hands
 for
 20
 seconds.
 My
 

 parents/carers
 will
  help
  with
  working out
 the
  best
  way to

     for **20** . If  

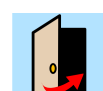

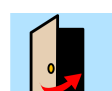

or  I   my  and nose,  the

 in the  and then  my . Sometimes 

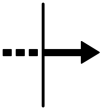

when  are , they  time  home  get 

. This  OK.  Monday  need  stay 

 to keep  safe  well.  will 

. This  OK.  needs  be  to 

the  spreading.  will be  to  to 

and Hwb and carry on my learning and share my

work with my teacher. My teacher will be proud of me

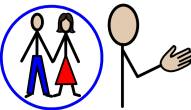

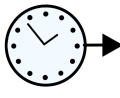

for doing this. To keep healthy, I need to cover my

mouth with a tissue when I cough or sneeze and wash

my hands. This is OK. My parents/carers will be proud

of me for doing this.
