# Champion Challenges

Please choose 1 challenge from the list below to do every day at home over the 10 day isolation period.

Send a picture to Mrs Meacham (Monday, Tuesday, Thursday and Friday) or to Mr Young (Wednesday) when you have completed each challenge and we can give you a Dojo. The stars are little extra challenges to extend your learning further.

**We have also been learning When Santa Got Stuck up the Chimney for our Christmas show. Please practice singing this at home as much as possible. [https://www.youtube.com/watch?v=6g\\_8logVMUO](https://www.youtube.com/watch?v=6g_8logVMUO)**

Make a Christmas picture on Jit paint. Type your name at the top (where it says paint) and press save.

★ Can you change the size of the pictures using the + to make them bigger and the - to make them smaller.

Make your own advent calendar! Use the template (on the website) and write the numbers from 1-24 in each box using our number rhymes (on the website).

★ Add some Christmas shapes to some of the boxes - stars, circle snowballs, square/rectangle presents or a triangle Christmas tree/Santa hat.

Make a Christmas card. Write a message inside using the letter formation sheet for handwriting, trying to spell on your own (or sounding out the first letter of each word) and writing your name.

When you have finished take a photo of the inside and outside of the card and send it to Mrs M or Mr Y on Dojo.

## Welsh Challenge

### Ting a Ling

Practice Jingle bells in Welsh.

Make a Christmas fruit snack like the pictures below.

Write a letter to Santa. Use the letter formation sheet to help you with your handwriting (on the school website).

★ Use your spelling skills to spell the words on your own. If you are not sure of the whole word, try sounding out the first letter in each word.

Make a paper chain and count how many rings you made.

★ Can you make it as long as the sofa, your dining table or even the length of the stairs?!

Can you complete the advent count and graph (on the school website)

Play Christmas Skittles. Print and make up the cone Christmas character templates. Line them up in a skittle formation and then use either a real ball or make a paper ball and try to knock down as many skittles as possible. How many can you knock down at once? Can you beat the rest of your family?

Christmas jumpers come in all different designs; can you design a new jumper? Ask a family member to draw a jumper outline on a piece of paper and then decorate with patterns, Christmas colours and Christmas characters.

★ Can you write the names of the Christmas characters you used?

Can you write the colours that you used and as an extra challenge, can you write those colours in Welsh?
