Article 3:

Everyone that works with children should do the best for them

Thursday 19th March 2020

Dear Parent/Carer,

I hope this letter finds you all safe and well and in good health.

Following on from the decision made yesterday for schools to close as of Friday 20th March 2020, we have this afternoon received an update from our Local Authority with the following information.

For most pupils this school will close tomorrow Friday 20th March 2020 for an indefinite period of time. We apologise for this inconvenience.

However, on Monday 23rd March 2020, the school will open to the children of essential workers and vulnerable pupils only.

This is our current understanding of essential workers

- health workers – all those employed within the NHS
- blue light / emergency service officers
- social care workers
- supermarket delivery drivers
- prison officers and other prison staff
- probation service staff
- school staff

School meals will be provided for the pupils attending our school. Normal school hours will apply and this includes Breakfast Club.

Further information will follow regarding school meal provision for those entitled to a free school meal.

I am sure that you will agree that the local authority has worked extremely hard at putting these measures in place and we are extremely grateful for everything that they are doing for our families at this very difficult time.

Please do not hesitate to contact me at school for any concerns regarding this information.

Best wishes to you all

Miss S A Harwood
Headteacher
