The Minecraft Survival Quest Challenge!

Here are a series of challenges that will test your skills in Minecraft. Every challenge is optional, but you must earn at least a total of 2000 experience points (XP) during this class. You can choose which quests you wish to complete. Just make sure that you earn a total of at least 2000 XP! Some are easy. Some are more difficult. Some of the quests you'll be able to complete on your own. Some will require help from friends.

Remember, you can always find information and help online. The Minecraft Wiki has lots of useful information. Use it! You can find it here: http://www.minecraftwiki.net/

When you've successfully completed a quest, you have to be able to prove it to your teacher. Show them and have your teacher date and initial below.

Quest Name	Directions	XP	Date Completed	Teacher Initials
	## The Basics			
A Safe House	Build a basic shelter. It can be made of dirt, stone, or wood. It can even be a cave. It just has to keep monsters out during the night.	20		
Tool Time!	Build a crafting table. Using your crafting table, make a full set of basic tools including: a pick, an axe, a shovel, a hoe, and a sword. These can be made of wood, stone, or anything higher.	20		
Light It Up!	Find some coal. Make torches! Use your torches to light your home. You should have at least five torches.	20		
The Furnace	Build a furnace and place it in your shelter or home.	20		
Stockpile	Build at least two mini storage chests or one large storage chest.	20		
	## Settling In			

My Home	Build a real home. It should have at least two floors and three rooms. You may work with a partner on this. if you do, double the room number.	150		
In The Garden	Create a garden near your home. Plant it with wheat and at least one other plant - melons, pumpkins, potatoes, sugar cane, etc.	50		
Rancher!	Build an animal pen and raise at least two chickens, two cows, two sheep, or two pigs. You have to figure out how to get them in there! Feed them too!	100		
What's Cookin'?	Bake five loaves of bread, two pork chops, two steaks, and two pieces of grilled chicken.	50		
Time for Dessert!	Make a cake or cookies.	50		
Gone Fishin'!	Make a fishing pole and catch at least 10 fish.	50		
Landscape This Place	Landscape around your home. Add at least 10 flowers, a sidewalk or porch, a fence, and outdoor lights of some sort.	50		
Nap Time	Build a bed and put it in your home.	50		
Decorations	Hang at least two paintings on the wall in your home.	50		
To The Mines!	Collect at least 10 iron ingots, 5 gold ingots, 20 redstone dust, 5 lapis lazuli. and one diamond. (You have to smelt the ores in a furnace to make the ingots!) Put all of these in your chest, together, and show your teacher. You can trade for these with other students if needed.	100		
Build A Suit of Armor	Build a full suit of armor. It should include a helm, a chest piece, legs, and boots. Any material is fine.	100		

Monster Hunting!	Collect at least 10 bones and 10 arrows (from skeletons), 10 rotten flesh from zombies, 5 spider eyes, one gunpowder from a creeper, one ender pearl. Put all these together in a chest and show your teacher. You can trade for these with other students if needed.	100		
Tree Farm	Plant a tree farm near your home with at least two spruce trees, two birch trees, and two oak trees. Put a sign nearby to identify your tree farm.	50		
My Pet	Tame a wolf or an ocelot.	50		
Suey Piggy	Saddle and ride a pig.	50		
A Horse With No Name	Tame and saddle a horse. Build a pen or stable for your horse.	100		
On The Rails	Build a Minecart and at least 20 connected rails for it to travel on. Put it either in your mine or in/near your home.	100		
When and Where Am I?	Make a compass, a map, and a clock.	100		
Dyed in The Wool	Make dyed wool blocks of at least five different colors and place them, together, somewhere in your home.	100		
	Adventure Time			
The Gateway	Collect obsidian and build a nether portal in or near your home.	100		
Through The Flames	Travel to the Nether. Collect ten netherrack, 5 glowstone, 5 nether quartz, one soul sand, and one nether wart. Put these in a chest, together, and show your teacher.	100		
Redstone	Build a redstone device of some sort. It should use at least one switch of some sort.	100		
Making The Switch	Put something in your home that's operated by a switch, a lever, or a pressure plate.	50		
Contraptions!	Build a redstone-powered device that automates something. (Automatic food harvester, automatic minecart system, etc.)	100
