

PE Activities for Home Schooling for Key Stage 1+2

The Dorset School Games Team are keen to help parents with activities and ideas to keep children active whilst at home, not only to keep them fit and healthy, but to provide activities where children have fun and learn through movement. [Use the links to navigate through the pages of this pdf.](#)

IMPORTANT note for parents. Please read [Parents Notes on page 16](#) before using this resource

PHYSICAL LITERACY

CONFIDENCE AND COMPETENCE

HEALTHY ACTIVE CHOICES

AT SCHOOL HOME AND IN THE COMMUNITY

WIDE RANGE OF PHYSICAL ACTIVITIES

VARIETY OF MOVEMENT SKILLS

PHYSICAL LITERACY IS THE ABILITY TO MOVE YOUR BODY CONFIDENTLY DURING PHYSICAL ACTIVITY, MAKE HEALTHY LIFESTYLE CHOICES AND PERFORM A VARIETY OF SKILLS AT SCHOOL, HOME AND IN THE COMMUNITY

During these challenging times parents are being asked to home school their children.
 The government recommends that at least 60 minutes of the day is active.
 Using physical activity in learning can make it fun.
 This resource will give you lots of ideas how to develop physical literacy skills.

We can do all these

.....by working on physical literacy at home

WE CAN...

- CHALLENGE OURSELVES DURING PHYSICAL ACTIVITY
- CELEBRATE PERSONAL OR PEER SUCCESSES AND ACHIEVEMENTS
- CREATE INTERESTING AND CHALLENGING GAMES, ACTIVITIES AND DANCES
- Describe the benefits of regular exercise
- Demonstrate the acceptance of others skills and abilities
- ENGAGE IN PHYSICAL ACTIVITY AS AN OPPORTUNITY FOR SOCIAL AND GROUP INTERACTION

Government redeploys School Games Organiser network to keep children active during Coronavirus

[Return to Menu](#)

The School Games Organiser Virtual programme, endorsed by the Department for Culture Media and Sport, Department of Health & Social Care and Department for Education, will:

- Provide daily inspiration and inclusive activities which will allow all children and young people to continue to access 60 active minutes of physical activity while social distancing is in place

School Games Active Championships, video coaching and free resources to keep children active during school closures

[Return to Menu](#)

Primary and secondary-aged children can join the School Games Active Championships at any time with **free** active challenges being set via videos within a designated School Games version of the TopYa! Active app.

Children practise the challenges, then submit their best video using a mobile device to receive personal coaching feedback from the TopYa! team of experienced virtual coaches.

How do I get involved?

1. Download the TopYa! Active app from the App Store or Google Play
2. Create your Player (child) account
3. When prompted to enter an Invite Code enter **23880** and then choose Primary or Secondary School League based on which type of school you attend

If you are under 13 years old, ask your parent or guardian set up the TopYa! Active account first, and then create player (child) accounts afterwards.

15 April 2020

Dear School Games Organisers,

The COVID-19 pandemic is one of the biggest challenges we have ever faced. Helping children stay active during this time is more important than ever, and I am grateful to Sport England, the Youth Sport Trust and all of our sector for the work they are doing to help us respond to this challenge.

But I wanted to write to you, the network of School Games Organisers, to personally thank every one of you for the work that you are doing to keep our children active. I am incredibly impressed at how you have risen to the challenge of helping families to maintain active lifestyles at home, as well as continuing to support the schools which remain open.

I know you have worked hard to develop new resources for schools and parents, as well as children at home. The Youth Sport Trust has shared with me a selection of your outstanding work, and I am very pleased to see how you are continuing to inspire children and families to maintain healthy lifestyles.

The support you are giving to schools and to parents at this challenging time is absolutely vital, and I thank you for your continued efforts.

Nigel Huddleston MP
Parliamentary Under Secretary of State for Sport, Tourism and Heritage
