Acting Headteacher/Pennaeth: Mrs. L A George

Thursday 14th January 2021

Dear children,

I hope you all had a lovely Christmas and that you are all happy. I was looking forward to seeing you all at the start of this new term but you have to stay at home to keep yourselves and others safe over the next few weeks.

Your teachers have been working really hard to give you lots of activities to do at home which are really interesting and fun to do. I know that your teachers have also been ringing you and your parents this week to see how you are getting on and to check if you need any help at all. We are keeping a list of all the children who are completing their work and we will be checking that you are trying your best and working hard.

I have spoken to some of your parents too and I was really surprised to hear that some of you are finding it a little bit hard to get motivated to complete the home learning tasks. I know that things are not the same as being with your teachers but I want you to show your parents what good learners you are and to be the best that you can be so that when you return to school in a few weeks, you will still be as clever as you were when you left before Christmas!

Remember to try your best to do **excellent** work! This may help you with your learning at home –

Morning –

- Do your maths work and share it with your teacher on Hwb/Teams
- Have a break
- Do your English work and share with your teacher on Hwb/Teams
- Have lunch

Afternoon –

- Do your topic work and share with your teacher on Hwb/Teams
- Enjoy the rest of your day!

I have been learning new skills this week and I am really excited to tell you that I have learnt to make a video on Teams and upload it to my page on the website. So, if you go to my page you can listen to a story (starting next week – 18/1/21). There will be stories for younger children and stories for older children so check it out. I hope you enjoy them!

Mrs. L A George
Acting Headteacher

Stay safe! Happy learning!
