Health and Wellbeing 	Maths and Numeracy 	Language, Literacy and Communication 	Science and Technology 	Humanities 	Expressive Arts 
<p>Make a video of yourself reading your favourite storybook. Send the video to a family member to enjoy.</p> 	<p>Use a packet of sweets (Smarties are great) and make a graph of the different colours you find inside. Record on Jit – write some questions you could ask a friend about your graph.</p>	<p>Write a book review of your favourite story. What did you like about it? Did you have a favourite character? What was the best part, and would you recommend it to a friend? Write it up on J2e</p>	<p>Do some research on the weather in your area for the next week. Create some charts on Jit. Record yourself giving a detailed weather report.</p>	<p>Use a map to plan your dream holiday. Where would you go? What would you see?</p>  <p>Make a poster on J2e</p>	<p>Make up a song about a fun activity you have done while at home. Write the lyrics on J2e. Add pictures of the activity.</p>
<p>Make a ‘Worry monster’ out of junk materials. Each night write down any worries and ‘feed’ them to your monster.</p> 	<p>Use a supermarket website to plan what you would buy to make a meal for your family. Type the plan into j2e on Hwb and add pictures.</p>	<p>Practice your typing by visiting typingclub.com</p> 	<p>Choose your favourite animal – create a fact-file of any information you can find out – include pictures! Use J2e on Hwb</p>	<p>What did people use to play games with long ago – can you create your own toys/boardgames out of household materials.</p>	<p>Draw/ paint/collage a picture of something that makes you happy and put it in your window for your neighbours to see.</p>

Please email if you need support with using Hwb email: MilesR43@hwbcymru.net

I love to see your work on Hwb – it makes me happy to see you enjoying your work.

Remember to keep logging on to Hwb to see the daily activities.
