

Health and safety responsibilities

On the left are the two main parties under the Health and Safety at Work etc. Act 1974. Draw lines to join each party to the responsibilities they have under the Act. Next to each responsibility, explain why it is important and helps ensure safety.

	Responsibility	Why is this important?
Employer	Take reasonable care of themselves and others	
	Provide a safe system of work	
	Co-operate with the other party's duties	
Employee	Provide information, instruction, training and supervision	
	Maintain safe plant
