

# Design & Technology

These are a number of mini projects intended for pupils to undertake during school closure

Work can be done on paper or on the PC.

Pupils can contact staff via email for any clarification needed.

Work on Hwb can be shared with teachers directly, work on paper can be photographed and then shared on Hwb

Thank you

Pack 2  
**YEAR 8**

## 1 Designing

Design a series of icons for use on a tablet or phone. You need a minimum of 5 icons and you can decide what the app does or is used for. You must explain this too

## 2 Drawing

Google information on how to draw shadows on simple objects like cubes and blocks. Do a series of sketches to show how this works

## 3 Research

Produce, in your own words, a brief half A4 report, explaining the effects of global warming on the UK. What could happen in 100 years time

## 4 Info-graphic

Find out what an 'Info-graphic' is. Then design one either on the PC or paper to explain some information on a topic of your choice

## 5 Describe

Describe the work of one of the following designers in your own words. Half an A4  
Designer 1 - Philippe Starck  
Designer 2 - Bethan Grey

## 6 Movie Poster

Try and re-create an existing movie poster into a different version designed by you. This can be done on PC or hand drawn

## 7 Investigate

How are Surfboards made? You should include diagrams, pictures and notes to explain the process. This work can be done in teams

## 8 Theme-board

Google 'theme-boards' and create one on a topic, product or film of your choice. This can be done either by hand or on a PC
