Spring Term

Topic: Houses and Homes

The Big Question: What makes a house a home?

Expressive Arts

(pupil voice to be highlighted and initialled)

- Tile printing to create town scenes
- Junk art homes
- Collage homes using paper shapes and layering
- View through a key hole pictures.

Health and Wellbeing

(pupil voice to be highlighted and initialled)

Health and Wellbeing a major focus for all children. Curriculum is formed on an individual basis including the use of:

- Sensory circuits
- SMART moves
- Relationship based play
- Drawing and Talking
- ELSA

Wellbeing focus linked to school closures a focus for learners at school and at home.

Humanities

(pupil voice to be highlighted and initialled)

- Learn about different homes around the world
- Learn about homes from the past, and how homes have changed over time
- What do you think homes will look like in the future?
- Create posters to show what we have learned
