

Music Lessons - Week 3 - (Years 3-6)

L.O. Compose new lyrics for a song.

Use the familiar tune of 'Twinkle Twinkle Little Star' and write some new lyrics.

- Write about staying at home and isolating.
- Maybe mention things you can and can't do.

See the examples below:-

A	Stay at home and close the door Don't go travelling anymore
B	Don't go out to parks and meet Friends and family in the street
A	Stay at home and close the door Don't go travelling anymore

or

A	Stay at home with family That's the safest place to be
B	Wash your hands with soap and water Happy Birthday twice no shorter
A	Stay at home with family That's the safest place to be

The first two lines and the last two lines are the same. This is called Ternary Form (A B A). The A section is always the same.

Do the same with your song.

Use the following sheet to write your own.

Be Creative!

Good Luck!

Mrs James

My Song

Write your new lyrics here:-

A	
B	
A	

Try and sing your new lyrics with the backing track provided. There's a really long introduction. Wait for the words "Let's Go" before you start singing. Good Luck!
