

Hello Year 4/5 Happy New Year to you all.

This term our topic is World War 2 and I have enjoyed looking at your post it notes that you did before we broke up, thinking about what you would like to learn this term about the topic! Lots of your ideas seem to have come from the film we watched before we broke up too. Your ideas range from;

- How did the war start?
- Who started the war?
- How many children were evacuated to Wales during the war?
- How long did the war last?
- What type of foods did they have and where did they come from?
- Did the children have to go to school in the war?
- Did the children have to learn welsh?
- What was it like in the trenches?

These are just a few ideas and there are many more really good ideas too all of which we will use.

Have look at this You Tube video. It is about The Three Night Blitz in Swansea.

Remember to ask permission to use the internet.

How many people did the video say lived in Swansea?

1. Did the video say that it was the first, second or third biggest city in Wales?
2. How many years ago did the video say the blitz happened?
3. What month did the Three Night Blitz happen?
4. What time of day were the people woken up?
5. Name a building that was not damaged by the bombing.
6. What happened to Swansea Market?
7. How many people did the video say lost their lives?
8. How many people did the video say were injured?
9. What is the total of question 8 and 9?

Read the poem and think about how that little child may have felt when writing it!

I've packed my clothes; my Sunday best
(There is no room for the rest)
I've packed my memories in my head
At night I'll share them with my ted
I've left my home, my own bedroom
I've left the smell of Mum's perfume
I've left my Mum, she had to stay
I wish she'd come with me today.
I've left my bike, my pride and joy
I couldn't bring my favourite toy
I've left my friends, and all I know
I WISH I DIDN'T HAVE TO GO!

- What do they mean by Sunday best?
- What memory would you pack in your head if this had been you?
- What do you think the line, 'my pride and joy,' means?

Use J2E to produce a Bar Graph about months of the year using this information.

Which number scale do you think would be best to use?

January 10

February 5 more than January

March double January

April double 20

May five more than April

June 15

July 15

August double June

September 50

October 100

November 100

December 85

Make up 3 statements about your graph!
