OUR 5 ★ REVIEWS SAY IT ALL

"I LOVE MADLABLIVE."

Gallium Gildas

"Fantastic way to get the children excited about science, through hands-on experience and explorative play."

S. Settle. SWANSEA

The zoom sessions are amazing! I wasn't sure what to expect but my seven year old is obsessed! We carry the sessions on together after and get half a day of experiments and science fun out of them! One of our lockdown highlights
