Epiphany Half Term

(Christian Value – Courage)

05 February 2019

Internet Safety is something we consider very important so we often provide activities to revisit these messages. This week (4th-8th February) is Safer Internet Week so we will be focussing our attention on this and it would be a great opportunity to have a conversation with children about using the internet safely, responsibly and positively. Whether you are a parent, grandparent, foster carer, aunt, uncle or older sibling – we can all play a role in empowering children to enjoy their time online! This year, the UK Safer Internet Centre is particularly focusing on how consent works in an online context and exploring how young people ask, give, and receive consent online. This could be in their friendships or relationships, how they take and share images and videos or how they manage their privacy and data. These conversation starters are a great way to help you talk about these issues with children.

School Uniform: we have been advised that Tesco UES is no longer providing embroidered school uniform.

However, they have introduced us to a new supplier – www.myclothing.com – who confirm a price list which matches that of Tesco / UES. When you next place an order please let us know how you rate the service and products.
