

FROGS NEWS

A Newsletter from The Friends of Gladestry School

03 December 2020

This term has certainly not been the most normal but we have still managed to organise things here and there! Over half term we ordered a new layer of Play Bark for the play area in the top playground and managed to spread it just before the Welsh lockdown started. Thank you ever so much to everyone who came to help out. There were so many parents and children helping we managed to get the bark spread in just half an hour!

We have also funded some new headphones for the school's new laptops so the children will soon be able to listen to their own laptop without any distractions!

Keeping up with FROGS

Frogs has a WhatsApp group, which has become a very useful point of contact recently as we are still unable to have proper face to face meetings and talk to parents about fund raising. If you would like to join in please do let us know (you can text Kate on 07780936339 or catch one of us at the gate) and you will be added to the group. It is only ever used for Frogs related discussions (fund raising and purchases for the school) so there won't be notifications popping all the time!

The school will also be posting updates for us on their Facebook page so if you are able to follow them this will be another good place to find out what's been happening.

Christmas Raffle

It has been a bit disappointing not being able to run the Christmas Fair this year to get everyone in the festive mood. We are however still running the raffle to which lots of people have very kindly donated. As prizes we have 2 big hampers full of Christmas goodies and vouchers for a Carvery at Rhosgoch Golf club (big thank you's to Hannah Lloyd and the golf club!!) Tickets for the raffle are £1 an entry and you can enter by sending an envelope with the money inside into school. Please make sure you write your name on the outside of the envelope and how many entries you have paid for. You will then be added to a numbered grid and the winner will be drawn at random by the children using an online number generator. The winners will be drawn on Wednesday the 16th of December so please make sure you have your entries in by then.

Again thank you for all your support so far this year. We very much appreciate it and hope you all enjoy the Christmas break.

Kate (Chair), Claire (Secretary) and all of Frogs.
