

Year 5 Autumn Term Home Learning Menu

Dear Parents

Here is the home learning for the Autumn term. The children can choose which task they would like to do each in any order (except for the Oracy task which will need to be ready for the week beginning the 9th November). The children are expected to complete work every **fortnight**. All of the tasks that have worksheets will be available online in the google classroom. The home learning will be celebrated in class.

If you have any questions please email the office and we will get back to you as soon as we can.
