

Mathematical Development - Outcome 4

Recite numbers in simple sequences up to 100 including different starting points.

To compare and order numbers to 20.

To count up to 20 objects using grouping.

To read and write numbers to 20.

To partition numbers below 20 into tens and units.

To recall halves and doubles up to 10.

To understand odd and even numbers up to 20.

To solve addition and subtraction sums to 20, mentally recall one more one less within 20.

To make sensible estimates of larger groups on objects checking calculations.

To pay for items up to 20p finding totals and giving change from 10p.

To read hours on a clock.

To name 2D and 3D shapes.

To copy describe and extend patterns including shape and number.

To collect information by voting or sorting and represent the total in pictures objects lists and tables.

Make whole and half turns.
