

Mrs Stephens' Class - Year 3 / 4 - Weekly Reminders

**READING BOOKS TO BE BROUGHT TO SCHOOL WEEKLY**

**Mon:** Homework completed/ weekly spellings given out

- Spelling lists will be available each on J2blast in HWB

**Tue:** PE kits – **All pupils must bring a kit to school, including trainers.**

**Fri: Spelling & Times tables tests** / Homework sent home (This may be online – Hwb)

All children read daily during our class reading time. A separate reading book has been given to all children to practise and enjoy at home. Please support the children with this initiative and return the books regularly. As the children progress and the reading books become longer, they may only be able to read a few pages each time. Any amount of reading, regardless of how short a time will be of benefit.

**Please be mindful that the school cannot keep providing new books if they are not returned to school.**

Online activities will be set on Hwb as we work through the term. Spelling lists are available each week in J2blast. You will be notified when an activity has been allocated for completion. Support sheets are available on our class web page. Please keep passwords safely.

Spelling tests will take place weekly and times table's tests regularly throughout the term. Please encourage your child to practise these at home as it will greatly support their learning in class.

If you have any concerns or queries please contact me so that I can help.

**Many Thanks  
Mrs Stephens**
