

June 18<sup>th</sup> 2021

Dear all,

What a wonderful time we have had with the weather and also with the amount of activities that the children have done over the week!

It really has been a fantastic week and I have some huge thanks to give:

- Firstly, to all the staff, for the planning and ensuring that the children had fun but also a voice in the activities that they got to do
- To Simon, at River Flow Yoga who did 2 sessions with FP and KS2
- To Rod Lewis, who made a video showing the children how to make healthy snacks and smoothies and set them an "eat the rainbow" challenge
- To Steve Jenkins/Hay and Cheltenham football club, for setting up football sessions for the children to enjoy and develop their skills
- To Rob Davies, a gold medallist Paralympian, who talked to the children about his sport and achievements. We wish him lots of luck in Tokyo this summer!
- To parents who helped out on walking trips this week
- To all of you who have helped raise money for the sponsored events that the children did this week. I am excited for the announcement from the PTFhAy of how much we have raised, as people have been really generous. THANK YOU!

Mr Morris has spent the day here today and he has loved his visit and starting to get to know people. He will be back with us for another day on June 29<sup>th</sup>.

I am writing this with sports races still to take place, so I am sure that the afternoon will be lots of fun and hopefully the technology will be kind and you were able to join in with some of the atmosphere, even if this year, through a computer screen!

Next week, classes will start to pick up the pace on their enterprise projects and competition amongst them is stiff!!! That is just the teachers! Information will come out via the classes if you have not already had some news.

PC Skyrme will be talking to Y6 as part of the police liaison programme about making the right choices and it is always an important discussion before they go the High School.

Friday 25<sup>th</sup> June is our second non-uniform day and we are asking you to bring in items in a particular colour for the rainbow hampers. A reminder of the colours:

**Reception : Pink**

**Yr 1 : Red**

**Yr 2 : Orange**

**Yr 3 : Yellow**

**Yr 4 : Green**

**Yr 5 : Blue**

## Yr 6: Purple

We have had a message from the Prints of Wales about uniform for September:

Please can you remind parents that they can order school uniform from us. The password is still 'Hay2020' upon our website [www.theprintsofwales.co.uk](http://www.theprintsofwales.co.uk).

If parents wish to collect orders from your school before the summer term breaks up I will need orders by **2nd July**. Otherwise parents will need to pay postage over the summer holidays to receive their orders.

The Summer Reading Challenge will once again be taking place in Powys libraries from Saturday 10 July, the aim being for children to read 6 books over the Summer Holidays. This year's theme is Wild World Heroes and has a nature and environment theme. We will have a video by Powys author Catherine Barr for us to show in class assemblies next month and I will send out further information once I have it.

Calling any of our parents who are electricians! We have a defibrillator which is housed in the main foyer. We believe that it will be better placed outside, so it is available 24 hours a day, all year around. Black Lions have kindly donated a cabinet for it to be wall mounted, but we need an electrician to fix it to the wall please. If anyone is able to help, or knows anyone who can help, please get in touch with Lou or Patrice in the office. Thank you in advance.

On Friday July 2<sup>nd</sup>, we are going to have a whole school picnic. Sadly, we will not be able to include parents, as we had hoped we could when we first starting planning it. This will be a lovely memory and event for me as we move towards the end of term and also, a photographer will be there to take class photos, which you will be able to purchase if you wish. Sarah, our cook, has organised a picnic lunch menu for those children who will have a school meal that day and it will comprise of: sandwiches, a pizza slice, a sausage roll, carrot/cucumber sticks and an iced fairy cake. We will be sending out a schoop for children to state which sandwich choice they would prefer out of ham, cheese or tuna, so if your child will be staying for lunch that day, please ensure that you complete the form, as there will be no other food options on that day, as this is a one-off special occasion! Fingers crossed that the weather will be lovely and there maybe a lovely surprise for the children on that day too 😊

Merits for this week:

Reception	Norah
Year 1	Darcey
Year 2	Reigh
Year 3	Florence
Year 4	Alfie
Year 5	Maisy
Year 6	Ben

Dinner menu for week commencing 21<sup>st</sup> June (week 3) is as follows: -

<b>Monday</b>	Meatballs, pasta, garlic bread, mixed vegetables
<b>Tuesday</b>	Turkey, & stuffing, gravy, potatoes, carrots & peas
<b>Wednesday</b>	Mini grill, hash browns, beans or tomatoes
<b>Thursday</b>	Roast dinner, potatoes, carrots & cabbage
<b>Friday</b>	Fish and chips, baked beans or peas

Thank you for all your support and in helping to ensure that the activities that we arrange are as successful as possible. I know we still have restrictions in place, but the last few weeks have felt the most "normal" since we had to close for the first lockdown.

Wishing you all a lovely weekend.

Warm wishes,

Mrs B
