

May 28<sup>th</sup> 2021

Dear all,

How lovely to end the term with some sunshine this week - I had a little pang yesterday when I realised that it would have been primary day. I absolutely loved going with the children and even though it was manic, it was such fun. I will be offering my services as a volunteer for sure when it is able to restart!

Parent evenings are complete and we hope that you found them helpful. Thank you for making appointments and please get in touch with your class teacher if you have not had chance to have that conversation. The final progress report will be the annual report and that will be coming out on July 5<sup>th</sup>.

I am going to send a separate newsletter out with an update on our outdoor projects and will be asking for some views in a quick survey. Thank you in advance for taking the time to read it and completing the survey. Might not get it out today but it will be coming soon!

We have sent off our entries for the Heroes Stamp Design competition, run by Royal Mail. There were some excellent entries so fingers crossed, we may have a winner amongst them!!

We break up today for half-term and the children return on Tuesday 8<sup>th</sup> June.

On Friday 11<sup>th</sup> June, we will be having a non-uniform day and asking for a £1 donation - this money will be used to buy vouchers for prizes for the summer raffle.

Please see the separate newsletter from PTFhAy which outlines what is happening next term, starting with the car boot sale on Sat June 12<sup>th</sup>.

We are busy planning for our Healthy Week, starting on June 14<sup>th</sup>, so we will send you details on our return and the activities that we will be doing. Children can wear PE kits/active wear all week, rather than school uniform.
