School Admin: Mrs Karen Thomas

Dear Parent / Carer

Mrs Thomas - Year 5 / Year 6 - week commencing 22nd February 2021

In light of the school closures as a result of the Coronavirus Pandemic, we have put together a list of tasks for Week commencing 22nd February. It is linked to the work your children have been doing in class so that they can continue with their learning while they are at home. I know it is difficult for some of you to print out sheets to work on so wherever possible I have tried to recreate Word documents so that you are able to work on them and share them with me. You could keep your work in an exercise book if you want. Perhaps one for English/Topic and one for Maths. If parents would like to pick these up from school, please phone and arrange a pick up. Alternatively, for work that is not in Word, you could take a photo and either upload it or email it to me. Please set your work out as you would in class, write a title or Learning Objective and please underline them.

I have one request the majority of pupils email me/ share their work. Some children save their work in J2easy and some hand their work in through Teams. May I request that if you keep your work in either of these areas please could you send me an email to let me know it's there- thank you.

Maths: Multiplication tables – the focus this term is on x6, x7, x9

Maths Facts – continue with learning these important maths facts.

Multiplication/Division Test 6 for Year 5 and Year 6

Mental Maths 6 for Year 5 and Year 6

Number – to identify and work out Factors

There are links to BBC Bitesize and Corbett Maths. Please go through them first and then complete tasks.

Please share your work with me.

Year 6 there are 2 tasks for Group1, Group 2 and Group 3.

Year 5 there are 2 tasks for Group1 and Group 2

English:

Reading: Please continue to read daily, using either school or home books.

I have also uploaded 'First News 764'. There are 2 reading activities for you to do. Task 1 is looking at an article that is interesting to you from the paper.

Task 2: there is a task for Year 5 and a slightly different one for Year 6

Read the text for each one, answer the questions and share your work with me.

Spelling: Year 5 – Set 19 – Spelling Word Exercise

Year 6 – Set 21– Spelling Word Exercise.

- **Descriptive work:** The focus this week is to continue with our theme and consider the importance of fluency and expression when we read. The task is to read the poem 'The Door' by Miroslav Holub and to listen to two contrasting performances. This is all outlined in J2easy and Microsoft Teams.

Topic / Science:

'The Earth in Space' Our Solar System'.

The task this week is to create a Fact File on meteors and meteorites. Task is outlined in J2easy and Teams.

Please complete and share with me.

P.E: Joe Wicks is again streaming daily live workouts at 9am on his You Tube Channel – 'The Body Coach TV'. Have a go at the daily sessions on Monday, Wednesday and Friday. Can you challenge yourself to take part in three sessions a week for the duration of 'Lockdown?'

Once completed, please share your work with me by 26th February.

BBC Bitesize has also outlined work for different subject areas for each Year group.

The Oak National Academy have uploaded lots of resources and lessons for all age groups. If you are looking for more to do, log on to <https://www.thenational.academy> and go to online classroom, subject, Key Stage 2, Year 6 or Year 5 and choose between English, Maths or the Foundation subjects. There are lots of interesting lessons on History, Science and language learning.

These tasks will also be outlined in the shared area of J2easy.

I've also created a Class in Teams, where you should also be able to access them.

As usual please email with any queries that you may have.

Stay safe all,

Mrs Thomas – ThomasH260@hwbcymru.net
