# School Session Times

The governing body of Llangattock Church in Wales Primary School is responsible for the setting school term dates and session times, in accordance with Welsh Government guidance as set out in [‘The Education \(School Day and School Year\) \(Wales\) \(Amendment\) Regulations 2008’](#).

#### The School Year

The school year is divided into three terms, the dates of which are set by Powys Local Authority and may be varied by the Crickhowell Cluster of schools, with the agreement of the LA. These dates can be found in the school prospectus and on the school website. The school will meet for 380 sessions which equals 190 days. In addition, the school staff meet for an additional 5 days (Teacher Training or INSET Days), which are set aside for training and development.

#### The School Day

The school day must *‘allow sufficient lesson time to deliver a broad and balanced curriculum that includes the national curriculum and religious education. Schools are free to decide the length of each session but current weekly lesson time in hours is: Children aged 5-7 years 21.0 hours and Children aged 8-11 years 23.5 hours.’* (Regulations 2008)
