COVID-19 / Coronavirus advice

If a child is showing any symptoms of coronavirus, **they will be sent home** and it is strongly advised that they have a Covid test. If you get a phone call, please collect your child **immediately** to help to stop any potential spread to others.

We rely on everyone to follow the rules so that schools can stay open for our children and families. If the 'R' rate goes up, our junior children will not be able to return yet. PLEASE do not mix with other households yet! We have come so far and we have so much to look forward to if we all continue to keep our distance from others! Thank you.

When collecting children from different year groups, children must stay close to the adult who has collected them and not mix with other year groups. Thank you for your help.

3-7 year olds are back in school

But we'll have to wait a little longer for sleepovers, birthday parties, sharing lifts and meeting friends – even if they're in the same bubble at school

This helps limit the spread of the virus and means schools and childcare stay open

Together we'll keep Wales safe

Deputy Head teacher: Mrs. James

Keeping In Touch

We are on the Web!

E-mail address centralprimary@npt.school

Twitter: Central Primary @Central_Primary

See us at: <https://centralprimary.j2bloggy.com/>

INSET Days

There is staff training booked for the following dates when school will be **closed to pupils**:

Friday 30th April

Monday 7th June

Friday 16th July

Newsletters

Our newsletters are posted regularly onto our website. Remember to check for any updates.

Covid Test Results

If anyone in your household has a Covid test, it is **essential** that we receive a copy of the results **BEFORE** your child is authorised to return to school. We need sight of all results – positive or negative so that we can respond appropriately. **We cannot accept children back at school without confirmation of the test result.**

Please email ALL results to our specialist Covid email address and not our school email address. Thank you.

Comic Relief

Friday, March 19th

This year, due to obvious reasons (Covid!) we would not feel happy encouraging children to touch their faces / noses and potentially swap the wrong comic relief noses. Therefore, this year, we have purchased the wristbands and some headband 'boppers' instead to sell for the charity.

Thank you for letting us know if you wanted to purchase either of the items. We are currently setting up the payment system on ParentPay. We will send you out a text once it is on the system. The items are likely to sell VERY fast and so it is best to purchase sooner, rather than later to avoid disappointment.

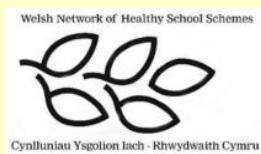

Smoke-free School Grounds

From March 1st, school grounds in Wales are smoke-free. This means a healthier environment for everyone and reduced exposure to harmful second-hand smoke, especially for young people.

Wales is #choosingtobesmokefree.

For free NHS support to quit smoking contact @HelpMeQuitWales.

World Book Day

World Book Day (WBD) is celebrated every year and this year is no exception. Books give us somewhere to go when we are stuck at home. Stories are magical and can transport us to the past, the future or to another world. Reading can help with promoting good mental health and so the positives to reading are endless!

We greatly value parent voice and we spoke with many families last year regarding costumes and dressing up for days such as World Book Day. In light of the parental consensus last year, we agree that instead of buying a costume that is short-lived; why not invest that money in a book instead, which will last forever.

On WBD all will be reading our favourite books to the children and encouraging them to chat about their own favourite stories too!

Class Dojo and School Dojo

Have you signed up to our free Class Dojo? Lots of information is shared with every class and with the whole school on 'School Story'. Give us a ring if you need help with access. ☺
