

Learning in Year 3

Flow

Summer Term

From humble beginnings the river flows down the mountain into the sea. Pull on your wellies and wade right in... how deep does it go and how fast does it travel? What soil types will we find by the riverside? Which animals make their homes there?

We will hop onto an imaginary boat and travel some of the world's most majestic rivers - the Ganges, the Thames, the Amazon and the Nile.

As we take a meander through the world of rivers we will track down sources of pollution. Where did it come from and who is to blame?

Please remember

- School starts at 8.50am every day. The doors will be shut promptly, please report to the office if arriving after this time.
- School ends at 3.10pm please inform the school if somebody new is collecting your child.
- All uniform and belongings should be labelled - you will be amazed at what gets lost!

Memorable experience visit

Unfortunately no visits are permitted at the moment due to Covid.

The children will continue to have a range of experiences throughout the term.

Please remember to send

- Homework in every Wednesday
- PE kits on Monday (black shorts and white T - shirt for indoor work, tracksuit/warm clothes for outdoor)
