Triathlon Success!

We are so proud of Olivia and Sophia Monaghan who recently completed their first triathlon: 250 metres swim, 10km bike ride and 1-mile run. WOW! Fantastic achievement under gruelling circumstances! Well done, girls!

Reminder:

Parents' Evening: Online Appointments

Morning Nursery, Rec-Yr6: 21st - 24th June

Afternoon Nursery: 28th-30th June

Sunscreen, hats and water

During the summer months, please can parents ensure their children wear appropriate sunscreen (at least 30SPF) to school and that they have water to drink and a sun hat to wear when outside? Thank you.

Keeping In Touch

We are on the Web!

Covid:

Numbers are creeping up again across the area and whilst we have **not** had any positive cases in Central, a number of schools and crèche have had to isolate year groups for 10 days.

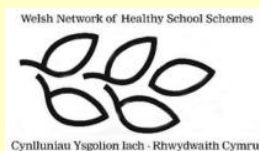

THANK YOU for continuing to work with us by following our social distancing rules when dropping off and collecting your children. We know that queuing to collect your child can be frustrating; please do not abuse staff when they are ensuring fairness for the parents who queue sensibly and respectfully. Rudeness and aggression will not be tolerated.

We cannot accept children back at school without confirmation of their test results.*

Please email ALL results to our specialist Covid email address and not to our school email address. Thank you.

covid.centralprimary@npt.gov.uk

It is ESSENTIAL that visitors to site wear a suitable FACE COVERING when entering on to school property. Thank you.

'Top Tips' for Families:

Here to help

This newsletter's advice is aimed at supporting families struggling with domestic fuel bills:

- Providing financial support to those in need, suffering or in distress
- Help for those struggling to pay their domestic gas and electricity bills
- Financial help to give individuals a fresh start and remain fuel debt free
- Can also apply for Further Assistance Payment
- This payment covers other priority bills and costs
- Can apply for white goods
- Apply for new boiler
- Bankruptcy and DRO fees
- Visit <http://www.britishgasenergytrust.org.uk>

Grow a Fiver

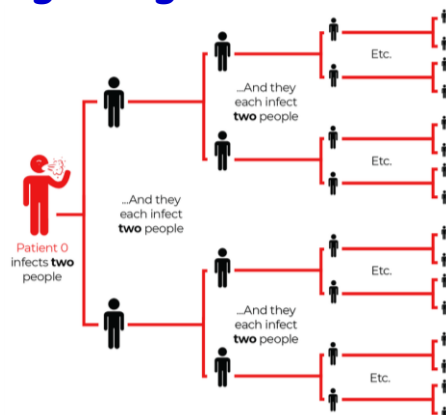

Despite the challenges that Covid has brought, our 'Grow a Fiver' project for Year 6 pupils is in full swing. As always, the project is inspiring our children to become young entrepreneurs. Promoting numeracy skills is vital and what better way to develop children's understanding than to award them with £5 and allow them to be as creative and as resourceful as possible?

The stalls will be open on **July 6th** and will be managed in line with our covid restrictions; Children from Yr2 – Yr6 are invited to bring in money on July 6th to spend at the stalls in their pods. (Money will be sanitised and handled in accordance with our covid restrictions).

We love this initiative and are looking forward to seeing whose 'stall' will win this year? Let the battle commence!

Ignoring Covid Rules:

This picture shows how easy it is for Covid to spread amongst non-vaccinated people. If you send your child to school knowing they have had contact with a positive case or if they are showing symptoms, you are putting approx. **70 families** in that 'pod' at risk of catching and spreading the virus. PLEASE act responsibly – protect yourself to protect others! #togetherstronger #stayhomesavelives

Sports Ambassador Mascot

Our Sports Ambassadors, Rahat, Sienna, Tom and Claudia have been very busy in their roles. They invited junior children to create a new sports mascot for our school. A winner has been chosen! We would like to introduce to you 'Alex the Elephant' who was designed by Jac Lee-Waters, Harry Merriman and Ben Rawle. Well done to all who entered and congratulations to the winners.
