Friday 16th July

Thursday 2nd September

Friday 3rd September

THANK YOU!

We are so grateful for the huge amount of support we have received about our new virtual parental meeting system. Parents have loved the convenience and how easy it was to log in. It was a pleasure being able to 'chat' face to face via the screen. Thank you for your time.

Breakfast Club for Yr1 and Yr2

Breakfast Club for Year 1 and Year 2 will re-open on...

Thursday 1st July

In light of the recent positive case in our Nursery, we would respectfully remind everyone that we are only as strong as our weakest link. We must all take responsibility to make sure this terrible virus does not get a chance to spread. If you are told to self-isolate by another business or TTP, it is your legal responsibility to isolate and NOT to attend school. This will stop our whole school community being put at risk.

We are so proud of how our staff and our families reacted to the positive case. As a result of the quick action taken, the spread was stopped in its tracks and no other child was infected. This is down to the diligence and strict measures we have in place to protect our families. THANK YOU to our nursery and breakfast club families who were affected. Your co-operation and patience ensured that although the virus was brought into school, it was not able to spread to other children.

We cannot accept children back at school without confirmation of their test results.

Please email ALL results to our specialist Covid email address and not to our school email address. Thank you.

'Top Tips' for Families:

Here to help

This newsletter's advice is aimed at supporting families through difficult times.

- No one should be without a bed to sleep on, a cooker to cook on or a sofa to sit on. Reuse are working across sectors to make this vision a reality, giving our member charities the support they need to reach vulnerable people in need.
- The network of reuse centres stock high-quality, affordable household items including furniture, electrical appliances, IT equipment and more.

Life Saving First Aid!

We are incredibly proud of Cai Morris, one of our Year 6 pupils. Cai received first aid training with the Cadets but little did he think it would help him to save a life. Recently, Cai's younger brother started choking whilst eating his food. Thanks to Cai's quick thinking and quick reaction, he called upon his first aid training and was able to remove the obstruction from his brother's throat, saving his life.

Well done, Cai! You are a superstar!

WARNING!

Emergency Refuge Planned ☹️

An application has been received by NPT for Emergency Refuge Accommodation to be developed at 49 Talbot Road SA13 1HN.

It could have a huge impact on the safety and welfare of our pupils, families and local community if this planning is approved.

You are invited to present any views you may have to planning@npt.gov.uk stating the planning number: P2021/0584

The links do not seem to be working on the websites but please do not let that put you off sharing your views to the above email address. Thank you!
