

Learning in Year 3

Predators/Peace Mala

Autumn Term

It's time to take a walk on the wild side. Find out who's coming to visit. Is it a bug munching lizard or an eagle-eyed bird of prey? Whatever it is, do you think you can handle it? Learn about creepy crocs and amazing alligators, the deadly assassin bug and the voracious Venus flytrap. Be inspired to write an informative leaflet all about your favourite predator and compose a poem about a predator or its prey. Then use what you know about the best of the beasts to create the ultimate predator; the apex of the food chain. Cross your dad with a peregrine falcon or your nan with a great white shark. What incredible species can you imagine? Feeling peckish? Let's jump aboard the food chain.
